Points

Points awarded in following six ways:

Goal points: One point awarded per goal scored by each team during games and extra time but excluding penalty shootouts. Ordinary penalties in course of games and extra time will count. No deductions for goals conceded.

Game points: Six points for winning a game in 90 mins or three points for draw at 90 mins. Extra time and penalty shootouts not to count.

Tournament points: World Cup winners—60 points, runners-up—45 points, third place—35 points, fourth place—30 points, eliminated quarter-finals—20 points, eliminated second round—10 points, eliminated first round—zero points.

Goalscorer points: Four points for each goal scored by nominated goalscorer incl. penalties during games and ET. Penalty shootouts not to count. Own goals not to count.

First Round Group points: 24 points for nominating the highest scoring group and 24 points for the lowest scoring group after six games in each group. 12 points for the second highest scoring group and 12 points for the second lowest scoring group after six games in each group. In event of a tie available points (36 or 12) to be divided.

Final goals: Correct number of goals in Final in normal time --- 20 points.

All 64 games up to and including final will count for goal, game, and goalscorer points as well as tournament points.

Highest total points wins.
