## Points

Points awarded in following six ways:

- **Goal points:** 1 point awarded per goal scored by each team during games and extra time but excluding penalty shootouts. Ordinary penalties in course of games and extra time will count. No deductions for goals conceded.
- **Game points:** 6 points for winning a game in 90 mins or three points for draw at 90 mins. Extra time and penalty shootouts not to count.
- **Tournament points:** World Cup winners—60 points, runners-up—45 points, third place—35 points, fourth place—30 points, eliminated quarter-finals—20 points, eliminated second round—10 points, eliminated first round—zero points.
- **Goalscorer points:** 4 points for each goal scored by each nominated goalscorer incl. penalties during games and ET. Penalty shootouts not to count. Own goals not to count. FIFA website to decide scorers.
- **First Round Group scoring points:** 12 points for nominating the highest total goal scoring group after six games in each group. (ABCDEFGH)
- **Goals in Final points:** 15 points will be awarded for correctly forecasting the total number of goals scored in final incl. E.T. if played. Penalty shootout not to count.

All 64 games up to and including final will count for goal, match and goalscorer points as well as tournament points. First round group games only count for Cat. 7. Final only to count for Cat. 8. Highest total points wins. Lowest points wins last place prize.
